The Alex Green Chili Cheese Burger **8.50**

1/3 lb. beef patty with mild green chilis and Velveeta cheese on a griddled sesame seed bun, served with Elkin fries.

Chicken Elkinada **9.50**

Shredded chicken with cheese and green chilis, stuffed in a flour tortilla and topped with elkinada sauce, served with Alexican rice, frijoles, and pico de alex.

Steak a la Alex **14.00**

An eight-ounce New York Strip, or Ribeye or whatever we have sitting around. Because, you know, if Alex saw a steak in his 'fridge he'd think, "oh my god, I have a steak!" And he'd have this look on his face eating it, like Homer Simpson with a donut, or a guy who just dropped two percocets and drank a quart of Steel Reserve. So, it's like that, grilled to order, served with poutine fries (mushroom gravy and cheese).

All beef is cooked medium, unless otherwise noted. Consuming raw or undercooked meats may increase the risk of foodborne illness.

Gluten free buns available for all sandwiches.
